Herbal Masque

Relax into the scent of natural Geranium and Juniper oils, while this satiny smooth masque transforms the surface of your skin with the soothing properties of aloe vera, sea lettuce, and soluble collagen.

Special Ingredients:

- **Kaolin and Bentonite**

- kaolin is a natural clay originally obtained from Kaoling Hill in China
- bentonite is another absorbent earth clay, found in the U.S. and Canada
- these special detoxifying clays bind to impurities, gently drawing contaminants out of your skin

- **Marine Plasma Extract**

- specially developed skin-moisturizing mixture using a variety of marine species rich in essential minerals
- a blend of soluble collagen, Chondrus crispus (Irish Moss), vitamin C, and niacinamide
- rich in detoxifying sea minerals

Other exceptional ingredients: Aloe Vera, Vitamins A, C & E, Sea Lettuce Extract, Geranium Oil, Juniper Oil, Chlorophyllin-Copper Complex, and Pentavitin®
