

revitalize

Vitamin C Serum

B-I-O vitamin C treatment is a unique blend of natural botanicals and antioxidant vitamins. Revitalize absorbs rapidly into the skin where it stimulates collagen production, brightens appearance, and smoothes skin tone, making revitalize a luxurious indulgence for your skin and your spirit.

Special Ingredients:

- **Magnesium Ascorbyl Phosphate (MAP)**
 - stabilized form of the essential antioxidant, vitamin C
 - boosts skin collagen synthesis at considerably lower concentrations than other forms of vitamin C
 - non-irritating and safe for sensitive skin
- **Vitamins A, C, D, E, and B5**
 - special vitamin blend that works to neutralize reactive oxygen species (free-radicals), especially those generated by ultraviolet radiation, helping to protect against photo-aging
- **Super Oxide Dismutase (SOD)**
 - one of nature's most potent antioxidants
 - neutralizes free radicals in the skin, whether produced by UV radiation or other environmental factors, such as pollution or household chemicals

Other exceptional ingredients: Liposomes, Gingko Extract, Horsetail Extract, Grape Seed Extract, Jojoba Oil, Apricot Oil, and Orange Oil
